Dear Church Family,

We are well into the new year as the month of February begins. The Christmas decorations have been stored away until later this year and we are holding on through the short, cold days of winter for the warmth of spring. For some of you, this year will bring many unexpected blessings and joyful times. For others, there will be unexpected challenges and disappointments. Yet, what we must always remember from our celebration of Christmas is that God is Emmanuel – the God who is always with us. We know the story so well, but we often forget the reality that whatever our circumstances may be in life – whether joyful blessings or disappointing challenges – God is with us. His presence can bring peace where there seems to be no peace. His power is available even in our weaknesses. His light shines in the darkest of places. Let's celebrate the "God who is with us" throughout this whole year of 2016!

As I mentioned in the last Pastor's letter, we are beginning this year with a focus on "Being and Becoming the Body of Christ." Through my Sunday morning messages I am focusing on various aspects of what is involved in our "being" and our "becoming" the church – the body of Christ. As you know, the church is not a building. The building is simply the place we meet to learn how to "be" and "become" the church. It is a place where we can invite others to come and learn of this "God who is with us." The church is not programs or events. The church is the people who have committed themselves to follow Jesus and join together for the purpose of "being" and "becoming" the body of Christ in the world.

God has given His body – the church – the awesome responsibility of being a community of reconciliation. We are in the world to bring healing where there is brokenness, to offer hope where there is despair, to share light where there is darkness. We are already the church, but we are also always becoming the church as we continue to follow Christ who is the head. We hope you know that you are a part of the body of Christ. We appreciate all those who are active members of the body of Christ at Oakland Baptist Church. If you are not active, we hope God will lead you to be more regular in your attendance and faithful in your service both in and through Oakland.

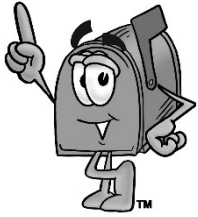

It is our joy to serve you. Please don't hesitate to call on us in anyway if we can be of service, support or encouragement in any way.

Blessings,

Randy & Betty
